Spamming: Roblox has been criticized for its extreme amount of spam. Some examples include the "Free Robux" scam, where people are tricked into giving their username and password to a third party so that they can steal their Robux, and the "You Have Been Tricked" scam, which consists of the offender saying something along the lines of "DON'T TRUST. HE IS TROLLING ME."

Some other ways that these generators get more traffic is through sending out promotional codes on social media sites like Twitter or Facebook while also using email marketing techniques.

Please make a map creator way better than the one in game just because it's not as organized. There should be more detail to every single item. Make an option that if you move your mouse over an item it will tell you what that is and how to use it and everything else about the item.

The reasons why you can get free robux is because some games do not charge a fee to play with them. They also do not include any in-app purchases that try to collect the user's money for no reason. Some gamers also leave reviews and recommendations on websites and apps where they give it a try. These types of websites are useful to new gamers who have never tried the free robux option before. The number of people trying these different options that provide users with free robux will eventually increase, which makes it harder for users who are in search of free robux to get it.
